

2010-2011 Kell Baseball Fundraising Summary

Kell Longhorns Baseball has several fundraising programs this year that will allow you to support the program and lower the amount that you as a family must pay to keep your baseball program successful. The individual program contribution provides equipment, uniforms, facility improvements, and game day needs like umpires and balls.

Each player is responsible for a \$600 contribution to the program.

If the player and family desires to reduce that out of pocket expense, they may participate in our Fundraising Opportunities. [Here is a summary of our fundraising programs:](#)

Sponsorship - Cash sponsorship collected (less sign cost) goes toward the player contribution.

Poinsettia Sales - \$5 from each plant go toward the contribution.

Butcher's Choice Sales - \$80 from each case sold go toward the contribution.

Sponsorship:

Ask your business friends and neighbors to sponsor you. They receive a sign that is posted on our signboard behind the field house by the walkway. Stress the fact that their sign will be seen ALL YEAR LONG, by families from all over the area, not just during the season.

- A Kell Baseball t-shirt will be given to all boys that sign up a NEW sponsor.

Note that some sponsors are "reserved" to existing players. The list of these sponsors is available and will be posted on the website (www.KellBaseball.org) along with this document.

Poinsettia Sales:

Poinsettias are a perfect holiday gift idea. These plants are grown locally and arrive just in time to spruce up the house for holiday entertaining. Ask family, friends and neighbors to buy one to help sponsor you. These are not poisonous to pets according to the ASPCA.

Butcher's Choice Sales:

Most everyone eats one of the choices offered in this delicious assortment of meats and seafood. The frozen portions come vacuum sealed and are wonderful when prepared with your favorite meal. Competitively priced with the grocery stores, this offering was well received last year, so we will be doing it several times this year - now, in December, and again at the end of January.

Deadlines

Butcher's Choice Sales – Orders will be placed October 27th for pickup on Saturday, 10/30

Poinsettia Sales – Order will be placed on November 19th for pickup on Saturday, 12/4.

Sponsorship - Sponsorships due by February 12th, but don't wait. Contact your sponsors starting now and follow-up before Christmas when everyone is in a giving mood.
